Dear Miss Parlow;

When you last spoke with Miss Nelsova in regard to the possible sale of your Guarneri del Gesu Violin, you mentioned to her, that you would think of me when you had decided to sell it.

At the present I am looking for an outstanding Instrument like yours and if it is available for sale, I would be honoured if you would let me have it. I have at the moment a client who is particularly interested in your famous Instrument.

Miss Arnaud is at present in Toronto and could possibly bring the Instrument back with her. Otherwise I could fly to Toronto myself once you are willing to trust me with the Violin. Please let me hear from you.

Yours, sincerely,

Hans Weisshaar.
